Monitor Report Locations

The screenshot displays the ISELCONNECT Main Administrator Web Application interface. The left sidebar contains navigation options: OVERVIEW (Dashboard, Incident Queue, Incident List, Map View), FIELD OPS (Lithman Monitoring, Lithman Team, Power Advisory), and REPORTS (Reports & Data, User Management, System Settings). The main area shows a map with a red marker indicating a report location. A pop-up window titled "Leaning Electric Pole" provides details: **REPORT INFORMATION** (Sep 29, 2024, 11:08 AM), **SEVERITY** (High), **DESCRIPTION** (Quality Issue), **LOCATION** (Near Sage Lane (San Fabian)), and **ASSIGNMENTS** (No additional details provided). A "View Full Report" button is at the bottom. On the right, there are summary cards for "Monitor", "PROPERTY LOCATIONS", "USED OPERATIONS STATUS", and a "REPORT" table.

MOBILE APPLICATION

Lineman's Login

The Lineman mobile application allows assigned linemen to view their assignments, update work progress, and submit completion information.

The screenshot shows the login interface of the ISELCONNECT LINEMAN mobile application. At the top, there is a header image with the 'ISELCONNECT' logo and a silhouette of a lineman on a power pole. Below this, the word 'LOGIN' is centered in white text on a dark blue background. There are two input fields: 'Email' with the placeholder 'Example@gmail.com' and 'Password' with masked characters '*****'. A 'Forgot Password?' link is located below the password field. A large 'Login' button is positioned below the input fields. At the bottom left, there is a small circular icon with a person silhouette, followed by the text 'Don't have an account? [Create one!](#)'.

STEPS

1. Open the ISELCONNECT mobile application.
2. Enter the assigned email address.
3. Enter the password.
4. Tap Login.
5. The Lineman Dashboard will be displayed.
